# DEFINING OUR FOCUS LEADING OUR CAUSE

**Fox Valley Family YMCA – Plano/Sandwich, IL**

**2015 Community Benefit Report**

## OUR CAUSE DEFINES US

We know that lasting personal and social change comes about when we all work together. That's why, at our Y, strengthening community is our cause. Every day, we work side-by-side with our neighbors to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive.

## OUR IMPACT IS FELT EVERY DAY

### Y WE DO WHAT WE DO

I never would have imagined when I first became a Y member that the Y would become family to us. They have given us so much. My children have grown tremendously as individuals through the programs they have joined. They have learned hard work, perseverance, good-will, community and laughter. The Y has given my children such love and reception whenever they are there. None of this would have been possible without the great financial aid program the Y has available for families in need.

It is never easy to ask for financial help. You never want to take and not feel as though you are giving back. The Y understands the value of what you and your children can gain being a part of the Y community. The patience and understanding they give to your situation is unheard of these days. I could never say thank you enough to everyone at my Y.

-Melissa, Y member since 2011
