WELCOME!

Very few environments are as special as summer camp. It's a rare experience where kids and counselors become a community. Our counselors are vested in immersing campers in daily activities that encourage them to try new things while celebrating their talents and gifts. The YMCA is planning a summer filled with old favorites and new adventures. Whether your child comes for one week or the entire summer, we invite them to be a part of the YMCA's safe, nurturing and inclusive summer camp.

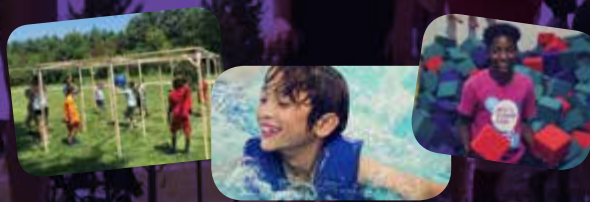

Kids enrolled in camp at the Fox Valley Family YMCA have the best that summer has to offer right at their fingertips. With daily dips in our pool and use of our Aqua Track obstacle course, gymnasium, gymnastics facility, outdoor pavilion, and 17 acres of outdoor space to make the most of...whether that means practicing a talent show act with friends or cooling off with a ride down the giant slip-n-slide!

OUR MISSION

Fox Valley Family YMCA puts Christian principles into practice through programs that build a healthy spirit, mind and body for all.

OUR PROMISE

Your kids will experience a summer full of adventure and new friendships. They will explore, create and have fun. They will try new things, explore new places and learn the power of a belly laugh. They will be surrounded by experienced, trained camp counselors who will work to make sure the summer is filled with lasting memories.

BEST.

"We love it! Last two summers spent there!! My little person begs to go back & can't wait to be a counselor one day. I think it's affordable and they have a lot of fun stuff going on! Much better for the kids to be running around outside/swimming/ going on field trips vs sitting around/screen time!"

- Jenna

SUMMER.

"My son went to camp at the Y last summer and really enjoyed it. Between playing outside, swimming inside, and various field trips, it was pretty fun for him!"

- Darla

EVER.

"My son has attended summer camp for at least 3 summers. He absolutely loves it. He has met so many friends from different school districts and they all look forward to seeing each other year after year. In summer, he wakes up excited to go to camp. There are activities both outside and inside, too many to list."
