SPECIAL NEEDS TUMBLING CLASS

\$60/CHILD

We offer this class so our friends with special needs can experience the fun of gymnastics. You will notice the cost is less than even our member pricing in hopes that you'll take advantage of this opportunity to get your child in the gym!

Class meets for one hour, once a week on Saturdays from 11am-12pm. Our 2016 Fall Session 1 runs Sept. 6 - Oct. 29.

This class is intended for children with special needs and their parents. The Fox Valley Family YMCA has a Kids Zone available during class for siblings at an additional cost. Class is held in a separate area and children will work on their skills at their own pace. During class we will use several different mats, our own set of bars and the children will get to jump on our tumble trak and have fun in the foam pit at the end of class!

Please contact Gymnastics Director Karen Oelker with any questions. She can be reached by phone (630) 552-4100 ext. 228 or by email at koelker@foxvalleyymca.org.

Register online or stop by the YMCA and pay by cash, check, or credit card or pay over the phone with a credit card. We hope to see you soon!
